

Help your clients choose a carrier they can count on

Employees don't purchase insurance, hoping to file a claim. They purchase it for added peace of mind, knowing help will be there when life takes a turn.

That's why a carrier's ability to pay claims quickly, accurately and fairly should be a critical consideration when evaluating benefits solutions.

Aflac delivers on its promise

For more than 70 years, Aflac has been there for policyholders during some of life's most challenging moments. Today, that commitment remains as strong as ever.

Connected Claims Technology

that enables a single claims
experience across multiple
eligible Aflac group coverages.

When an employee experiences a covered event, they need confidence that their carrier will be there. Aflac stands behind its promise by making claims simple, efficient and customer-focused.

One claim, multiple coverages – less hassle

With Connected Claims, benefits can be reviewed across multiple Aflac group plans through one single claims experience.

The result?

- Less paperwork
- Faster access to benefits
- A more seamless claims experience

A better claims experience benefits everyone

For employees

When employees see their benefits working as intended, they can gain greater appreciation for the coverage they've elected and the employer who made it available.

For employers

A strong claims experience can influence how employees perceive their overall benefits package.

When employees successfully use their benefits, employers can experience:

- Greater appreciation for their benefits investment
- Increased employee satisfaction
- Stronger employee retention
- More confidence that benefits are meeting workforce needs

Simply put, benefits only deliver value when employees can successfully use them.
