

Feeling protected and cared for matters to employees

Here's how you can show you care for the people who make your workplace function.

Choose providers thoughtfully

77%

of employees want benefits providers to show that they care about them

Encourage time off

76%

of employees at businesses where taking PTO is seen as a good thing believe their employers care about them

Reconsider safety protocols

83%

of employers are highly satisfied with their company's COVID-19 response—but only 67% of employees say the same

Ease out-of-pocket health care costs

50%

of employees have high anxiety about health care costs beyond what their insurance covers
